## NOTICE TO ALL ALLIANT INDUSTRY PARTNERS

This letter transmits GSA FEDSIM's Task Order Request (TOR) GSC-QFOB-12-32487. This TOR will provide the Defense Cyber Crime Center (DC3) and Defense Computer Forensics Lab (DCFL) critical digital and multimedia (D/MM) forensic information technology (IT) technical and managerial examination, research, and development support services, and cyber analytical services.

Site visit and reading room appointments are scheduled for November 14-17, 2011. Each contractor will be given the opportunity for a 30 minute tour of the DCFL facility followed by a two (2) hour time slot for access to a reading room. The reading room will be made available to Alliant contractors for the purpose of viewing documents pertinent to the requirements contained in the solicitation at the dates listed below. Tour and reading room sessions are by appointment only, and must be requested in advance. The tour and reading room will be held at the DC3 client site in Linthicum, MD. The address will be provided at the time the appointment is scheduled. Requests must be made via email to the Contract Specialist, Angela Holden (angela.holden@gsa.gov), and the Contracting Officer, Denise Vondibert (denise.vondibert@gsa.gov). **Requests for these appointments must be received via email no later than Friday, November 11, at 11:00 AM.** Prospective offerors may request a time slot and the Government will make every effort to accommodate the requested time slots; however if more than one offeror requests the same time slot, the Contracting Officer will assign times randomly. Prospective offerors who cannot attend at the assigned time slot are requested to notify the Contracting Officer and the Contract Specialist to prevent waste of Government resources.

You are invited to bring four (4) persons. You must provide the names of the personnel attending to the undersigned Contracting Officer by 11 a.m. on Friday, November 11, 2011.
